# BERA FILM SERIES

## Lucky Jim

Thursday, February 15

Lecture Hall, 8:30 p.m.

This Thursday the BERA group is happy to present the English comedy "Lucky Jim," based on the novel by Kingsley Amis. A follow-up comedy to the Boulting Brothers' earlier "Private's Progress" and "Brothers in Law," "Lucky Jim" deals with the unlucky exploits of an assistant professor of history, a fun-loving tipler adeptly played by Ian Carmichael. Invited for a "cultural" weekend to the home of his superior, he proceeds to make a complete shambles of the sedate affair. Especially wonderful are the satirical characterizations of the denizens of the academic world, broad enough to be uproarious, but bearing enough recognizable truth to sting. Terry Thomas plays the boorish, pseudo-intellectual son of the professor. The result might be referred to as "sophisticated slapstick", if such exists.

★ Friday Night's Dance at the Gym! ★

**MASTER POINT WINNERS**

The results of the February master point duplicate bridge were:

**N-S**

1. LAWRENCE & WAGNER
2. MR. & MRS. J. SUICH
3. REILLY & SCHMAELER

**E-W**

1. MR. SKELLY & MRS. H. FREI
2. MR. & MRS. B. SCHERMER
3. MR. & MRS. D. VERDIN

The N-S winners won a top score on this hand by being the only pair to reach 3NT rather than 4S.

N (LAWRENCE)	S (WAGNER)
S. 9 8 4 3	S. A J 10 5 2
H. 6 3	H. K Q J
D. 10 6 3 2	D. A Q J
C. K Q 10	C. J 4

**Bidding**

N	S
2S	1S
3S	3C(!)
	3NT

The 3C bid was the short suit game try the Lawrence-Wagner team plays. It asks partner to bid 4S if his values are mostly outside of the short suit. As Lawrence held values only in clubs, he signed off with 3S. Knowing that all suits were now safely stopped, Wagner bid 3NT. Since there were as many tricks available at no-trump as at spades, the no-trump contract, being worth ten points more, won the top score.

**BASKETBALL**

Metallurgy and the Old Timers were engaged Tuesday night, but not in the usual sense of the word. There seemed to be very little amour present as both teams scrapped for the ball - over, under and around the baskets. Metallurgy nearly pulled it out as they tied the score several times in the final period, but the Old Timers pulled ahead 26-23 to end it.

The Phoubars went over the 50 point mark again to down the Untouchables 54-32.

The Chuckers downed Biology 26-11.

**Standings**

	WON	LOST
Old Timers	4	0
Phoubars	4	0
Metallurgy	2	2
Chuckers	2	2
Untouchables	0	4
Biology	0	4

**WE NEED YOU!**

It might seem a little early in the year to be thinking about ice cream, water-melons and hot dogs, but **We Need You** for OPERATION GET TOGETHER, our annual Lab-wide picnic, which will be held (weather permitting) on Saturday, July 28.

As always, we are looking for a planning committee with representatives from all departments. It is our hope to get a few "volunteers" from each group to sit in on the organization of the picnic and to take some phase of the operation back to their department.

We are fortunate that quite a few members of last year's committee have already indicated that they will help out again this year. However, they will need your help. Find out if your department is represented, and if not - why not?

The first meeting is scheduled in early March. So now is the time to join the committee by calling G. Sabine, Ext. 391.

**PINK LEAGUE**

The Allthumbs dropped 3 points to the Dipions. Rising high for the Dipions were E. Norton's 413 series, R. Svendsen's 181, 169/481, and J. Reidl's 151, 171/468. J. Reidl also converted the 5-10 split.

The Question Marks took only 1 point from the Twinkletoes. L. Bartos for the Question Marks rolled a 156 and I. Detmer spared the 1-2-4-10 combination twice.

The Nightingales lost 3 to the poor winners of the League (Contacts). J. O'Connel's expert markmanship converted the 7-9 split, M. Hill rolled 173/413, M. Heine blasted a 159/407, and M. Hillen racked up an even 400 for the Nightingales. For the poor sports, C. Lydecker rolled 157, 173/467.

**GREEN LEAGUE**

The Electrons crawled into second place again, beating the Old Timers 13-1. Levy and

**BERA BOWLING**

Tomesch led the way with 216/523 and 186/509, respectively.

The Fire Department rolled over the Reefers 4-0. Rhodes and Texiera helped the winners rolling 204/544 and 194, 198/551, respectively.

The Old Timers III won over the Black Birds 3-1. For the winners Walker rolled 175/488 and Rosso rolled a 181. For the losers Zelenka tried with a 186.

The Gnats split with the Old Timers II 2-2. High man for the Gnats was Van Norman rolling 186, 190, 191/567. Frei and Reams tried hard for the Old Timers II rolling 189/508 and 225/550 respectively.

**PURPLE LEAGUE**

The Phoubars took Fiscal for 4 points to hold onto their league lead. Phoubar's best were Brown 185/498, Vogt 168, and Cox 165. Fiscal's best were Rose 157/444, and Eberbach 147.

The Toppers took the scotch out of the Scotches and won their match 4-0. Toppers taking were Scatton 196, Reany 179/525, and Nocar 184/511. Scotches resisting were Johnson 174/461, Galen 168/458, and McCafferty 142.

**Bowling (Cont'd)**

The Designers nosed out the Woodbutchers 3-1 with a little luck in a close match. Designers with the big reach were Chicro, rolling 178/462, Dick rolling 176/450, and Dugan, rolling 163, 162. Woodbutchers trying were Seitz 179, Ruppert 174/476, and Benson 173/475.

The cellar Hopefuls tied the Bowl Aids 2-2. Bowl Aids out of reach were Schulz 179/501, Walsh 173/484, and McIver 167 and a wee 98. Hopefuls with that reach were Sundberg 205, 200/567, Kuzmack 178, and Thompson 174.

**BLUE LEAGUE**

Position night found the teams battling even more with the Alleygators taking the mighty Techs 3-1. The spark of the evening was McGovern when he came through with a 267/568 series, which gives him a high gross game of 309. Watson for the Gators rolled a 199 and Lambeck rolled a 184. The Techs fought back with Hildenbrand's 234/586, Meier's 196/544, Larsen's 184/535 and Heins' 187/516.

The Skins upset the Needlers as they took them 3 to 1. For the winners, Remy rolled 186/535 and Schroeder rolled a 182. Sunyar tried for the losers with a 171.

The Splitters dumped the Sleepers 4-0. The Splitters had two good men - Sparacino 180/511 and Rothbart 174/504. For the Sleepers, Lypecky rolled a 190.

The Nuclides took the Leftovers 4-0. Kukacka rolled a 206/577 for the winners while the losers just drifted.

The Bubble Finks and the Bubble Boys split 2-2.
